National Science Foundation S-STEM Scholarships in Engineering at San Francisco State University

School of Engineering’s National Science Foundation’s S-STEM program will provide over 30 scholarship awards to academically talented, financially needy students to complete an undergraduate degree in engineering. S-STEM awards will be offered for up to two years of full-time academic study at SFSU.

School of Engineering NSF S-STEM Scholarship Eligibility Requirements:

- Must be citizens of the United States, nationals of the United States, aliens admitted as refugees under section 207 of the Immigration and Nationality Act, or aliens lawfully admitted to the United States for permanent residence;
- Must demonstrate financial need for the 2009-2010 aid year as defined by the US Department of Education rules for need-based Federal financial aid. The 2009-2010 Free Application for Federal Student Aid (FAFSA) must be filed, see: www.fafsa.ed.gov. Your FAFSA Student Aid Report (SAR) must be submitted as part of the packet. SFSU’s Federal school code is 001154; and please see SFSU financial aid website http://www.sfsu.edu/~finaid/ for more information
- Must enroll full-time (at least 12 units) at SFSU each semester of the award;
- Be within two years (by the start of the scholarship) of completing a bachelor degree in an engineering field (Civil, Mechanical, Electrical or Computer Engineering);
- Must have a overall Grade Point Average of at least 2.75 and SFSU GPA of at least 2.75.
- The completed application must be submitted no later than 4:00 p.m. Monday, March 22, 2010 to Engineering Office, SCI 163, Attn: S-STEM Program. Applications postmarked after March 22, 2010 will not be accepted. Only completed application packets will be reviewed.

For more information, please contact Dr. Nilgun Ozer, SCI 250 or at 415-338-1328 or mnozer@sfsu.edu
