BETH PACK MEMORIAL SCHOLARSHIP APPLICATION
School of Engineering
San Francisco State University

Name: _______________________________ SFSU ID: ___________________________
Address: _____________________________ Phone Number: ______________________
Major: _______________________________ Email: ______________________________
IEEE Student Member Number: ________________

GPA (2.75 minimum): Engineering _______________ Overall: _____________________

Expected Graduation Date: ____________________

Provide responses to the following items on a separate piece of paper:

1. Describe your non-academic activities in the School of Engineering (such as planning/organizing IEEE student meetings, tutoring, social events, improving laboratories, etc.)

2. Briefly describe your career objectives.

3. List additional activities or information indicating your service, your leadership, or your personal or societal advancement of electrical engineering or technology (lectures, research, projects, service organizations, part-time/summer work experience, etc.).

4. List the courses you plan to take next semester.

Attach a copy of your unofficial transcripts, a copy of your current schedule, and a copy of your resume. Turn in your application and all supporting documentation to the Engineering Office, SCI 163, by 5:00 p.m., April 13, 2009, Monday.
