Lessons Learned and Successes Accomplished”

STUDENT PAPER CONTEST
Topic: Global Role of Engineers in Building a Peaceful World
for Humanity in the 21st Century

The Student Paper Contest is one part the General Conference for which abstracts have already been
solicited. For the “Student Paper Contest” papers are being solicited from engineering and affiliated science
students on the topic: “GLOBAL ROLE OF ENGINEERS IN BUILDING A PEACEFUL WORLD FOR
HUMANITY IN THE 21ST CENTURY.” Papers may be based on a generic thought process or any case study of
an ongoing or completed (within the past one year) project or research/experimental work. The thrust of the
paper should emphasize how his/her paper/project would contribute to build a peaceful world for humanity.
This is an individual student paper contest and no joint authors will be allowed.

STUDENT ELIGIBILITY: The students should be currently registered at an accredited university/college at
least for 6 semester units. A letter from the Dean, Department Chair or Major Professor attesting the student
status must be submitted along with the paper. Work performed by the student as a part-time employee in an
engineering company or laboratory may also be utilized as a basis for the paper.

PAPER GUIDELINES:
- Length of full paper shall not exceed three (3) 8.5”X11.0” pages, including figures, tables, etc.
- Use 12 point, single space, with 1.0 inch margin on all the 4 sides.
- Papers should be submitted as a word or text file (MS Word preferred) via E-Mail or on a diskette or CD-
  ROM, along with a hard copy.
- Attach a letter from the Dean, Department Chair or Major Professor attesting the student status.

Deadline for submitting papers: March 31, 2006

- Address: Mr. Tim Hancuff, P.E., Program Chair, County Sanitation Districts of Los Angeles County,
  1955 Workman Mill Road, Whittier, CA 90601. E-Mail: thancuff@lacsd.org,
  Phone: (562) 699-7411, Ext. 1614.
- The papers will be reviewed by a team of professionals and the winners will be announced by

AWARDS FOR WINNERS: Total funds for all prizes in this competition are approximately $2,000. In
addition to a cash award, winners will receive certificates and the opportunity to present their papers at
the conference. Papers not selected for an award may receive special recognition based on their merit.
