In-person: Science and Engineering Innovation Center (SEIC), Room 110 (Pizza will be served!)

Zoom: <https://sfsu.zoom.us/j/89274538144?pwd=I9izngWKbf7BWhiwfbuhmtlSkZKMK4.1>

Meeting ID: 892 7453 8144 | **Passcode:** 374818

Explore Graduate Opportunities in Engineering

Are you interested in advancing your career with a Master of Science in Mechanical, Civil, or Electrical & Computer Engineering? Join us for our Graduate Program Orientation designed for both prospective applicants and current graduate students. Learn about research, funding, and how SFSU Engineering can help you achieve your academic and career goals.

What to Expect

- Welcome & Introduction – Meet the School of Engineering Director and Graduate Program Coordinators
- Admissions, Funding & Deadlines – Learn about TA/RA opportunities, fellowships, and the SF Scholar Program
- Curriculum, Research Highlights, and Career Trajectories – Explore concentrations, research projects, and alumni success
- Student Panel & Q&A; – Hear from current students and alumni about mentorship, internships, and campus life
- Lab Tours & Facility Showcase – Experience our labs, equipment, and research spaces firsthand

Why Attend?

- Get insider tips on how to apply successfully
- Connect with faculty, staff, and students
- Discover research opportunities and funding options
- Learn about degree milestones and timelines
- Network and enjoy pizza, swag, and community!
