• ENGR 696 requires completion of 18 upper-division units.

• Check the Student Planning Worksheets for accepted Upper Division Electives.

• Students cannot mix and match courses or prerequisites from the two curricula.

• Existing students who have already started with the old curriculum can either a) continue to follow the old curriculum or b) switch to the new curriculum.

• The "new" curriculum starts in Fall 2023. Students (freshman and transfer) who enter Fall 2023 must take the new curriculum.
