SAN FRANCISCO  
STATE UNIVERSITY

## ABOUT US

The MESA University Program at San Francisco State works to provide educational support to underrepresented students within STEM throughout their undergraduate careers by utilizing the following tools and resources needed to successfully earn their degree:

## ELIGIBILITY

- Current or looking to switch to an Engineering or Computer Science major
- Low Income (Financial Aid - Pell Grant, Cal Grant) OR 1st Gen. College student
- Status: Non-Graduating Senior
- First-Year Freshmen and First-Year Transfer students are given priority.

## REQUIREMENTS

- Join a student organization (for at least 2 semesters)
- Complete 5 hours of Community Service per semester (MESA, SoE, Student Org. Event) [Student Officers/Student Assistants are exempt]
- Maintain Good Academic Status
- Attend the MESA Welcome Event\*

## NOTE

Admission is not guaranteed to all eligible applicants.

\*The MESA Welcome Event is for selected applicants who will receive an email invitation.

We are having a **MESA Information Session** on Wednesday, September 8 at 11:00 AM for students to learn more about the program.
