

OCII Trainee Hiring Program Summer 2023

Opportunities Abound

The Office of Community Investment and Infrastructure (OCII) is currently accepting applications for our summer 2023 professional design trainee program!

OCII administers the program in collaboration with Japanese Community Youth Center (JCYC), the San Francisco Office of Economic and Workforce Development(OEWD), and the Mayor's Opportunities for All Initiative.

Interns will be placed at local engineering or architecture firms and will gain valuable experience on major San Francisco developments.

Deadline

Applications are accepted on a rolling basis, early submission is strongly encouraged.

PROGRAM REQUIREMENTS

San Francisco resident, former SF high school student and/ or current SF college student, residents of District 10 (94124, 94134, 94107) strongly encouraged to apply. Coursework in architecture, engineering, and/or design with some knowledge of at least one of the following: AUTOCAD, SketchUp, Revit. Legally able to work in the United States Questions? email: mariapecot@sfgov.org
